Welcome!

This tool will make using a computer easier.

If you need help at any time, press the H key or select the help button.

OK, let's begin →

Do you prefer to have items on the screen read out loud to you?

Yes

No

← back next →
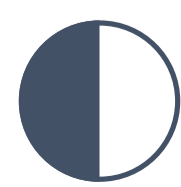

if the user has previously turned the audio off, this would default to No, but would still give the user a chance to consider whether this preference might be helpful to them

turn voice OFF

help

Adjust the voice volume to a comfortable level.
