In order to personalise your experience, **Service Y** would
like to access your **Cloud for All** preferences.

allow   **do not allow**

☐ Don't ask me again

To edit your privacy settings at any time, go to **Account settings**

Choices made here (in context) will be for this session only, unless user checks "Don't ask me again"
If "Don't ask me again" is checked, service will be added to Privacy settings as appropriate.

Selecting "Account settings" will take user to account settings (or log-in screen if not already logged in)
