

Audio

An audio track may include a piece of music, a podcast, or the accompanying sound for a video.

[Learn More](#) ➔

- This video has an audio track.
Choose any that apply:
- Dialogue or narrative
 - Soundtrack
 - Sound effects
 - Video contains sign language translation
- This video has no audio track
- I am not sure if this video has an audio track.

Supplementary audio

Audio tracks may be added where the original video has no audio or where additional languages are available.
