Mission BEING Futures

Here's
more
information
about your
mission

Over the next few months we will be travelling together to planet BEING Futures in our Zoom spaceship.

This mission will include three co-design workshops, where we will be collaborating together to create planet BEING Futures!

The dates and times of the workshops are:

- ① **Tuesday, June 8, 2:30 – 4:00 pm**
- ② **Tuesday, July 6, 2:30 – 4:00 pm**
- ③ A date in September to be confirmed

Before each workshop you will receive instructions, including:

- details of the activities we will be doing,
- questions to think about, and
- any materials you might need.

For the June workshop you can use any art supplies you have at home. For the July workshop additional materials may be sent to you.

We look
forward to
seeing you on
the spaceship!
