Welcome *Username*, to the OER Authoring Tool!

CREATING CONTENT

Content is created in this field. Content structure will dynamically be interpreted in the *Table of Contents* panel. In addition, *headings* and *sub-headings* can be added and edited through the *Table of Contents*. Below is an outline of the toolbar:

1. **Toolbar:** See description below for each option's purpose.

1. **Text Style:** Define whether text is a *heading*, *sub-heading*, *paragraph*, *ect.*
2. **Lists:** Create *bulleted lists* or *numbered lists* (such as this one).
3. **Indent:** In order to create sub-lists use the indent option.
- This is an example of a sub-list.
4. **Links:** Link to another webpage or a heading in the resource: e.g. [OER homepage](#).
5. **Media:** Add images, video, audio, and attachments to the resource. Media can also be dropped directly into the content field.
6. **Citations:** After selecting text or media use this option to cite your work. ^[1]

PUBLISHING YOUR ENTRY

After you've created your content, *describe* http://www.oercommons.org websites will be created into links so that it can be easily found and used by others. You can always switch back to *write* mode to make changes. Once your content is ready and all the required fields are filled out, click *submit* to publish your entry!
